

Ramawatar Bhakar

Backend Developer

✉ rramotarbhakar@gmail.com ☎ 9587268334 📍 Didwana Rajasthan

Summary

I'm a passionate Laravel developer fresher who loves building real-world projects. I focus on clean UI, backend logic, and performance. Currently improving my MERN & Laravel stack skills.

Education

Shekhawati Institute of Engineering & Technology, Sikar Btech • 6.7
Computer Science Sikar Rajasthan • 2022-2026
Focused on Data Structures, Algorithms, Web Development, and Database Management.

Shekhawati Institute of Engineering & Technology, Sikar Polytechnic • 7.5
Computer Science Sikar Rajasthan • 2019-2022
Focused on Programming Fundamentals, Data Structures, Computer Networks, and Basic Web Development.

Projects

Modern Dynamic Portfolio Website
Developed a modern dynamic portfolio website using Laravel and Tailwind CSS. Implemented admin panel for managing projects, skills, and education. Integrated contact form with email functionality and file upload support. Designed responsive UI with reusable components and clean architecture.
